Whilst writing up on our experience with Frankie and Sapphire we can't help looking at Sapphire's arse in the image below, and how inviting it looks! "I love licking out a pussy," Sapphire tells us. "But there's no greater feeling in the world than having a thick fat cock up inside my arse hole!"

IT'S A SURE FLING BABY!!!

Menl split up with my boyfriend a week before we were meant to go on holiday with three other couples. I went anyway, but it wasn't easy seeing the others come down to breakfast looking really bloody shag-happy!

I decided I'd find myself a bloke, just for the week. The one I went for was about 15 years older than me. I'd see him by the pool, just chilling out and reading and I'd drift off, imagining him fucking me, sucking on my nipples as his cock pumped my pussy slow and deep. Soon, I felt warm juices seeping out to soak my bikini bottoms.

I went over. "Good book?" I asked. He looked up at me and said, "Like reading, do you?"

"There's other stuff I like better," I said. Then I gave him my room number and said, "Six o'clock."

He just grinned and shook his head in disbelief. Back in my room, I couldn't wait. I tore off my bikini, jammed two fingers up my creamy cunt and

> **"He groaned as I felt great streams of spunk squirting down my throat"**

rubbed my clit with my other hand. It only took me a minute to cum, then I just lay there, hot and twitchy, wondering what the hell I'd do if he didn't turn up.

I was stroking myself when there was a knock at the door. I threw on a robe and opened the door to my visitor.

"I'm Mike..." he said. "Who gives a fuck?" I said and pounced on him, shoving my tongue into his mouth.

He snogged me back and grabbed me around the arse, pulling me hard against him.

As my body pressed and rubbed against his, I could feel he had a huge hard-on. Now he slid his hand into my panties and over my cunt and I rubbed my aching clit against his fingers.

He started off doing it gently at first, but as I humped against him, he did it so fast that I grabbed a handful of his hair and screamed into his ear as a climax gushed right through my cunt.

When I got control of myself again, I ripped off his trousers and saw exactly how big and thick his prick was. It was already fully hard so I gently kissed his helmet. Then I slid his whole shaft into my mouth, taking it deep down my throat, running my tongue along the underside of it as it slid in.

Mike was raking his fingers through my hair and rocking his hips harder and faster. My whole mouth was full of thick salty cock, pounding all the way to the back of my throat. My juices were flowing and I said, "Okay... stop fucking about and fuck me." Mike yanked my panties off and down, and then we threw ourselves onto the bed. He rolled on top of me, and rammed his prick right up my slit in one stroke. Instantly, he started fucking me hard, gritting his teeth as he thrust in and out really hard. I had to bury my face against his neck so I didn't scream the hotel down.

When I was capable of talking again, I put my lips up to his ear. "Cum in my mouth," I breathed. "I want to suck your spunk."

He pounded a few more strokes into my shaven snatch before pulling out.

Then he slid his hot, juice-soaked cock down my throat. I put my hands on his arse and only had to suck him gently for a couple of seconds before I brought him off. "Swallow it..." he groaned, as I felt great streams of hot spunk squirting down my throat.

"You're such a dirty little slut..."

Gobs of thick cum coated my lips as I drank down the whole of his load. I lapped them up too.

Mike had to leave the next day, so we shagged the rest of the night away!

Gabby, Sunderland.

LOTTA BOTTLE

My housemate threw a party and I ended up in a game of Spin the Bottle with these girls Tanya and Jo and a load of other mates.

They were pals but seemed to like to score points off each other and didn't like the other one getting attention. Jo got dared to snog the next person the bottle stopped at, and ended up with my tongue down her throat. I saw Tanya out of the corner of my eye and she didn't like it one bit – not because she fancied me particularly but because I was really getting into Jo. Then I was given the same dare, and ended up snogging Tanya.

They stuck to me like glue for the rest of the night, each convinced I'd 'pick' her, and we all ended up in bed. It was every bloke's dream.

I said, "I've always wanted to see two girls fuck each other." Tanya said, "I'm straight. I don't do girls." to which Jo answered, "Chicken?"

"All right," said Tanya.

"You're obviously gagging to fuck me, so what the hell?"

It was incredible to watch. It started out as half-fuck half-wrestle, with them shoving each other around and pinning each other down, grinding their mouths together really hard and raking their nails over each other's bodies.

Then they seemed to really get into each other. I started playing with my cock as I watched them lying on the bed, Jo's moist cunt leaving a wet sticky patch on Tanya's thigh as she humped against it.

Fuck me, it was so horny – they ended up in a sixty-nine, and I walked around, just staring and copping a feel whenever I liked.

Then I knelt behind Tanya – over Jo's face – and started playing with her arse, splaying her cheeks and fingering her bum as Jo tongued her. Jo craned her head back and started licking my hard shaft.

Then I slid my cock up Tanya's cunt, and as I thrust in and out, Jo carried on licking me, lapping the juices from it. I pulled out, resting my shaft along the groove between Tanya's cheeks. My balls were resting right up against her pussy and Jo played with her clit so that her juices ran out and over my hairy sack. Then Jo started licking that before sucking my balls.

That was it – before I knew it I felt them bunch up.

Frantically, I shoved Tanya's arse cheeks together around my shaft, so I came all over her crack.

Then, as I watched, Jo opened her mouth and lapped up my jizz, letting it drip in from my balls, then sucking it straight from Tanya's juice-soaked slit.

I've been screwing the pair of them on and off ever since.

THE BIG BUGGER BUS!!!

> "Soon she was begging me to fuck her horny arse. I got the strap-on"

Monday morning, my usual boring routine took a fucking horny twist.

I was waiting for my bus into town. When it turned up my jaw hit the floor. I recognised the driver as a lusting lezzie I had briefly met at a nightclub.

She had been up for a good fucking on that occasion but it never happened. I remembered her name was Charlie and she looked just as sexy now as she did then.

She eyed me up and down in my tarty work clothes (short skirt and blouse unbuttoned!).

Winking at me, she let me off the fare and I went and sat at the back.

She obviously remembered me, and I sat in the middle of the seat so she could see me in the mirror. My skirt rode up and I spread my legs enough for her to see my knickers.

I was very wet and horny. Gradually all the passengers got off except me. I stayed on the bus until Charlie drove it back to the dark depot.

She turned off the engine and told me to stay where I was. Coming back from her car with a bag slung across her shoulder, she told me to go up to the top deck.

Following me up the stairs, she shoved her fingers up my skirt and into my juicy pussy. Then she pushed me onto a seat so I was on all fours.

She spread my legs and ripped my arse cheeks apart so she could fill my wet pussy with her warm tongue. She pushed her tongue in and out, fucking me with it.

I wanted to show her what I could do so I turned around and pulled her pussy and arse down onto my face.

I stuck my tongue inside her and flicked it all around her pretty pink pussy, her cum

dripped into my mouth.

Then she opened the bag – dildo heaven! There were all kinds in there – small, big, very big (my favourite!), double-ended ones and a huge strap-on.

"Strap it to me, slut!" I ordered when my eyes fell upon the ten-inch strap-on. Charlie fastened it to me and then knelt in front of me with her arse swaying. I leant over and, spreading her cheeks, started licking her butt. She was going crazy thrusting her arse into my face.

The slutty butt-fucking whore obviously wanted strappy shoved deep and hard up her arse.

Gently I eased all ten inches inside her, but after that I just gave it to her hard listening to her squeal.

Soon she was begging me to fuck her horny arse. So I pulled the monster strap-on out of her swollen pussy and flipped Charlie onto her back.

Her legs were high in the air with her feet over the top of the seats. I smeared some cunt juice around her arsehole and over the strap-on before sliding all ten inches in.

With her legs held high she grabbed hold of my arse and pulled me deeper, faster and harder inside her arse.

She screamed and came again and again while I fucked her butt hard. Her spunk splurged out all over the strap-on and my juicy pussy, mixing with mine.

Maddy, Shrops.

SUMMER SHOVING!!!

My Summer is the best time of year. People are happier and the good weather means lots of outside activities.

There is nothing better than taking yourself out into the country and getting fucked good and proper in the blazing sun. Just thinking about it is making me dripping wet!

Preparation is key – you have to wrap the package before opening it and the removing of the different layers to revel the final prize is the best and has the pleasing result of a raging hard-on.

Fully dressed and ready we head off to find the perfect country spot. Only with nature in sight can the unwrapping start.

By this time we are both gagging for it but we like to take time to record the moment, taking the dirtiest pictures possible.

Imagine the scene – a cock as hard as a branch and a pussy so wet, concentration is difficult. The trick is to tease each other and let the anticipation build.

My dress is of course an easy access one. If I'm honest my entire wardrobe is. With just one pull of the belt it will reveal a full body with all the delicious treats a man could want. We like the full monty, matching bra with suspenders and of course seamed stockings with the sluttiest pair of shoes to complete the outfit.

By this stage my nipples are so hard and nearly breaking through my bra in a bid for freedom.

My legs are feeling weak with the anticipation of that throbbing cock I can't take my eyes off. My mouth is watering in preparation of receiving it deep inside me but it would be rude not to have a little taste first. With my dress open and my offerings all on display I take control and kneel down ready to take it all in.

I love having my face fucked and I'm not satisfied unless I'm gagging, taking as much of his incredible length as I can.

Patience is a gift. Even though all we want to do is fuck like animals in the sun we keep our cool and pace.

I take him to the point just before cumming and sliding his throbbing cock out of my soaking mouth is almost painful for us both but it is bitter sweet as we both know what comes next.

We can wait no longer and he flips me on my knees and slowly slides his hot rod into my sticky warm cunt.

The fresh air has turned us into wild things fucking hard and fast, the hot sun on our back and the sound of the rest of the world in the distance gives you the freedom to take all the pleasure available.

Robyn, Kings Lynn.

Oh Cleo, you can't be our third army obsessed girl this month can you? "This isn't my army outfit! This is my outdoor woodsman outfit". Is fucking outdoors your thing as well then? "It's less about being outside, and more about the thrill of getting caught in the act, and I never ever stop. I always keep going even if they watch!"

JAMIE

I wish my missus wore outfits like that when she's in the kitchen like Jamie here. "I always dress sexy when I'm in the kitchen, what better way to greet my man when he comes home than me bent over the kitchen worktop in a little tartan skirt? Although we usually end up ordering takeout afterwards!"

GOING DOWN ON THE LEARNING PERV

My After going for the so-called easy option and leaving school at 16, it took me just a few years to realise I'd be stuck in a deadend job all my life if I didn't get some qualifications. The final straw came when I split up with my bloke – 10 years older than me and 10 years more childish, the type who lives for beer, clubs and footy and seems to think, "You look alright" counts as foreplay.

My mates said I could do better, meaning better than him, and I agreed with them, although I decided my entire life needed an overhaul. That's how I ended up enrolling for evening classes, doing A-Levels in English and maths.

Most of my classmates were mature students, just looking to give their brains a workout. But in maths I had a fellow "immature student" – as he put it, giving me a giggle – a lad called Joe. He was a builder, but he figured if he passed a few exams he could get into site management, rather than just doing donkey work till he dropped dead of exhaustion, or a coronary from the fry-ups.

We flirted a bit and one night, a couple of weeks into the course, I asked him out for a drink after class. He said no, he had to be up at the crack of dawn, but it wasn't a fob-off. He asked me out to dinner that Saturday.

I'd pegged him as a bit of a lad, but he was much cooler than that, really good to talk to. I figured at least I'd made a good mate, then he asked me back to his place for "a nightcap".

I liked him even better when I saw his flat – he'd bought it as a wreck and done it up to his taste, which I couldn't fault.

If anything, he was too cool. He didn't seem shy but, while most blokes his age are fumbling desperately at your tits as soon as they get you in past the front door, he just held back from making a move until I had to take matters into my own hands – literally.

I walked over, gave him a big grin, dropped to my knees and got his cock out, wanking him for a few strokes till I saw with satisfaction a tiny bubble of precum emerge at the tip, then feeding his length into my mouth and sucking away.

I blew his cool as well as his cock – right from the start he was squirming on the couch, moaning and groaning, gritting his teeth as he tried to hold himself back.

Hardly laid-back or in control, but it's flattering for a girl to see how much she's turning a bloke on. If he'd spurted in my mouth right then and there, I'd have taken it as a compliment.

Soon, though, he asked me to stop. He said he'd fantasised about fucking me, imagined me lying on the sofa, legs spread wide. "Like this?" I said, and got naked then splayed myself on the couch.

FESSIONS

He just grinned and nodded, but didn't go for it right away. He used his hands and mouth, licking my hole and fingering my clit, although I got him switching over, sucking on my nub with three fingers shoved in my hole. I told him how to bend them inside me, so he caught my tenderest spots as he fucked them in and out – good thing he had a thirst for education!

He kept telling me how wet I was getting – I could hear and feel it for myself, and just the sight of his long, red-tipped prick bobbing out of his pubes had my fanny dripping like a tap.

Now he knelt up, easing it inside me, taking it slow so we both felt every inch of it. My pussy was aching, throbbing around it, and I started to finger my clit, making myself cum.

Once he was inside, he had a bit more trouble holding back. He banged me hard and fast, like it was all about him now – nothing rough in it, just all his overexcitement suddenly catching up with him.

It went on for ages, like he was too nervous to let go, so I took over again. I moved us onto the floor, then rolled us over so I was on top, and because I know what I like, it didn't take much frigging to get my snatch snapping tight around his shaft.

> "NOW HE KNELT UP, EASING IT INSIDE ME, TAKING IT SLOW SO WE BOTH FELT EVERY INCH

I let him suck on my tits, to milk as much pleasure out of it as I could, then I hauled myself off his big dick and went down on him again, swallowing mouthfuls of my own cream before I finally got into a good sucking rhythm.

He was as good as done for then. I wanked him into my mouth with one hand, the other one all over his balls.

"Watch," I said, and saw him look at me, a bit glazed, as I aimed his spurting prick at my tongue, letting a couple of jets splash on it before closing my lips around his helmet and sucking out the rest of his cum.

There's nothing serious going on between us, but it's a bit of fun and a good stress-buster, and Joe appreciates it. He actually told me he was finding the course hard going, and contemplated chucking it in, but because going to class meant seeing me, he stuck with it. Now he's doing pretty well. I give him the credit for this – I think he was daunted rather than useless at maths, but I also like to think I've taught him a little something. Let's just say his shagging technique has improved since the first night we got together!

ELLEN

"I guess I kind of look a bit like Ellen Degeneres, and it's safe to say that I love licking out pussy just as much as she does," says Ellen. "Deep down I prefer the feeling of a man inside me rather than a girl's tongue or her fingers but it's nice to shake things up every once in a while. I've seen some of the girls in this month's issue and I'd happily lick each and every one of them out with no complaints!"

TIDY BIRD

My girlfriend Chrissy's one who gets really wound up if things aren't neat and tidy.

The state of my car was doing her head in so I told her she could do it herself, if she got nice and wet herself while doing it.

I dressed her in a short summer dress for her job. As the spray splashed off the bodywork, her dress got damp. I'd already realised she wasn't wearing a bra, but her brownish nipples gradually "melted" into view, as the fabric got wetter.

Now she started soaping it down.

She wasn't squeezing foam and froth all over herself, but she wasn't avoiding getting covered in it either. As she stretched out to sponge the bonnet, her skirt rode up exposing a flash of the little white knickers she was wearing. Forget your lacy lingerie, I've actually got a bit of a thing for plain cotton panties.

In the end, though, she was totally soaking and she really got into it.

Now she did turn the hose on herself, wetting her dress so it was clinging to her nipples with her knickers showing through. Then even they went transparent, so I could see the shadow of her thin bush.

I stood up and started snogging her, shivering as the cool water soaked through my clothes. She sprayed me for a laugh, then undid my flies, pulling my cock right out and dropping my pants.

I bent her over the bonnet of the car, pulling her panties down and flipping up her skirt. She groaned as I fucked her twat, spreadeagling her so I could pound in even deeper.

For such a neat girl, she knows how to play dirty – and she said she'd let me have her up the arse, as long as she got to watch me clean out the interior of the car. Talk about fucking blackmail, but I wasn't going to refuse.

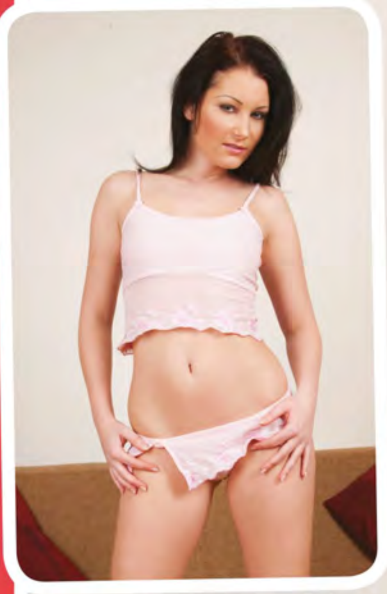
After getting her wet and slippery with her own pussy juices, I thrust my cock slowly up her bum. She was groaning, knuckles white where she was clinging on to the car, but she was going to take me however I wanted to screw her.

I went easy on her at first, but when she seemed to handle gentle grinding, I started fucking her a bit harder and deeper. She seemed to like it when I pinched her hard nipples every time I pushed in.

As we screwed, I gave her bodywork a clean too, rubbing the soapy sponge over it, then spraying her with the hose. It got her thrashing round, but my cock stayed deep in her bum until I was hosing that full of spunk!

I kept my side of things, even vacuuming inside the sodding car.

Matt, Pembrokeshire.



MOLLY

Nympho Molly is back in Razzle and she's just as obsessed about sex as the last time we caught up with her! "I'm still getting banged on a regular basis, but there's always room for more shagging in my life," Molly gushed! "I'm still not bothered about cock size, I'm experienced enough to handle any kind of cock and know how to get myself off on it!"
